### **Keeping Things in Perspective**

Continual success in life is reflected in great part by being able to readily and effectively address whatever day-to-day business or personal matters that arise -- something which can always be aided by learning how to increase our individual and collective productivity and/or knowledge transfer processes and actions.

No one can be an expert at everything, and each of us should continually search for new and better ways of doing things. Finding out more about products and services offered by numerous other productivity-related companies is another facet of what Scsi enjoys sharing with anyone who visits the [Scsi P&KT Mobile Web site](#).

Once you have finished browsing through the [productivity hyperlinks](#), as well as any other included hyperlinks that you'll encounter within the Scsi P&KT Mobile Web site, you are heartily encouraged to expand your vistas and garner additional insights from other professionals in their respective fields.

Choose from among the hyperlinks provided on this Mobile Web page to begin this process. Scsi's general recommendation is that you set aside some time to visit each of the Mobile Web sites cited here for noteworthy productivity-related resources.

### **Why does Scsi make these "go elsewhere" recommendations?**

This suggestion is made for two reasons in particular:

1. The content presented will be centered around a particular area of expertise
2. More specific or up-to-date information will almost always be found at primary sources.

### **What are some Mobile Web sites recommended by Scsi for visiting?**
